YOUR TICKET TO ALL THE TECHNOLOGY NEEDED TO ADVANCE YOUR COURT REPORTING BUSINESS

As a RealLegal® Unlimited member, you will get our latest software, all future upgrades, unlimited technical support, and much more for one low monthly subscription fee. Gain unlimited access to core RealLegal technologies and services that reduce your costs, boost your revenue, and improve your workflow, security, and administration. Plus, get free use of LiveNote™ realtime technology!

UNLIMITED ACCESS PAYS FOR ITSELF

Sell just a few E-Transcript™ files and your subscription has paid for itself. And by using E-Transcript Reporter Edition™ and E-Transcript Signatures™ to eliminate the costs of shipping transcripts to and from reporters, you will dramatically reduce your monthly expenses.

CONTROL OVER MONTHLY EXPENSES

The pay-as-you-go arrangement helps agencies manage their cash flow, accurately project monthly budgets, and save cash reserves for other things. As a subscriber, your use of business-critical technology becomes a predictable line item on your budget rather than an unexpected capital investment. And the subscription may be tax deductible*.

OFFER THE LATEST TECHNOLOGY

Be confident that you are providing your customers with the most up-to-date software and file formats.

NO ADDITIONAL COSTS FOR UPGRADES OR SUPPORT

Members will never be charged when new software versions, patches or updates are released. Everything is included as part of your subscription. And, RealLegal Unlimited members receive free technical support during business hours.

NO RISKS OR COMMITMENTS

RealLegal Unlimited is free of any long-term contracts or obligations. You may suspend your subscription at any time and reactivate it when desired.

To learn more about the program, contact your RealLegal representative at 1-800-548-3668, ext. 4, or visit RealLegal.com.
