

# A CUTTING EDGE COURT REPORTING SERVICE

## BROADCAST LIVE TRANSCRIPT TEXT AND DEPOSITION VIDEO TO ATTORNEYS, PARALEGALS, EXPERTS AND OTHERS

LiveNote Stream™ is the single-most powerful way in which to grow your videography or court reporting business. Offer the LiveNote Stream service to any legal client who would benefit from seeing the demeanor of a witness, communicating in realtime with the entire legal team, and monitoring the progress of any deposition or trial. LiveNote Stream broadcasts the live video and text via the Internet -- enabling entire legal teams to virtually attend from anywhere with Internet connectivity.

- Powers instant input from anyone connected to the group
- Enables every team member, even their clients, to observe the witness's demeanor
- Provides a way to discuss strategies and refine their approach when it matters
- Delivers the benefits of seeing and hearing a deposition without the travel expense
- No special software is required, but it is compatible with LiveNote.

### SERVICE AGENCIES OFFER LIVENOTE STREAM BECAUSE IT...

- Increases their clients' interest in investing in videography and realtime services
- Makes their agency a strategic asset throughout the length of the litigation
- Is simple to do and includes technical support from LiveNote staff.

### ATTORNEYS WANT LIVENOTE STREAM BECAUSE IT...

- Strengthens their presence at the deposition and flusters their opponent

### KEY ADVANTAGES

- LiveNote Stream provides an easy-to-use and efficient way to give clients the realtime they demand
- Creates a strategic partnership between LiveNote Stream service providers and attorney clients in the litigation process
- Attendees can participate from anywhere in the world
- Streaming text and video can be viewed through the free LiveNote Stream Browser, or, viewed directly in LiveNote, the #1 most widely used litigation software of any kind

## THREE OPTIONS TO MEET EVERY CLIENT'S NEEDS

1. TEXT ONLY SERVICE	2. VIDEO ONLY SERVICE	3. TEXT & VIDEO SERVICE
<p>Connect your clients to realtime text from the court reporter + instant messaging</p> <p>Participants receive in a secure Web interface (LiveNote Stream Browser™) or their LiveNote® software</p> <p>Court reporter needs LiveNote Stream Manager™ software and Internet connectivity</p>	<p>Connect your clients to live video and audio from the videographer</p> <p>Participants receive in a secure Web interface (LiveNote Stream Browser™)</p> <p>Videographer needs the LiveNote Stream Box (VBrick) and Internet connectivity</p>	<p>Transmit realtime text and live video to on-site or off-site participants + enable instant messaging</p> <p>Participants receive in a secure Web interface (LiveNote Stream Browser™) or their LiveNote software</p> <p>Service agency needs LiveNote Stream Manager™ software, LiveNote Stream Box (VBrick) and Internet.</p>

# THE INTERNET-BASED LIVENOTE STREAM CONNECTS THE COURT REPORTER, THE VIDEOGRAPHER, ON-SITE PARTIES, AND OFF-SITE PARTICIPANTS

## LIVENOTE STREAM MANAGER SOFTWARE IS FREE

The software that makes it possible for you to provide clients with live transcript text and instant messaging is LiveNote Stream Manager™. This software is free to any court reporting provider, plus we provide RealLegal Unlimited™ subscribers and LiveNote Certified Partners with great discounts on the service.

Are you ready to provide LiveNote Stream? Call your Court Reporting Technology Representative today at 800-548-3668 option 4 or, to schedule a LiveNote Stream realtime event for your clients, visit <http://stream.livenote.com>.

- The blue line indicates how LiveNote Stream connects multiple participants on-site and off-site.
- At each connection point, the court reporter and/or videographer can enable:
  - Realtime transcript text (LiveNote Stream Manager required)
  - Private Instant Messaging (LiveNote Stream Manager required)
  - Live video (LiveNote Stream Box/VBrick required)
